One Bed Rooftop Terrace with Ocean Views

From \$865 /night

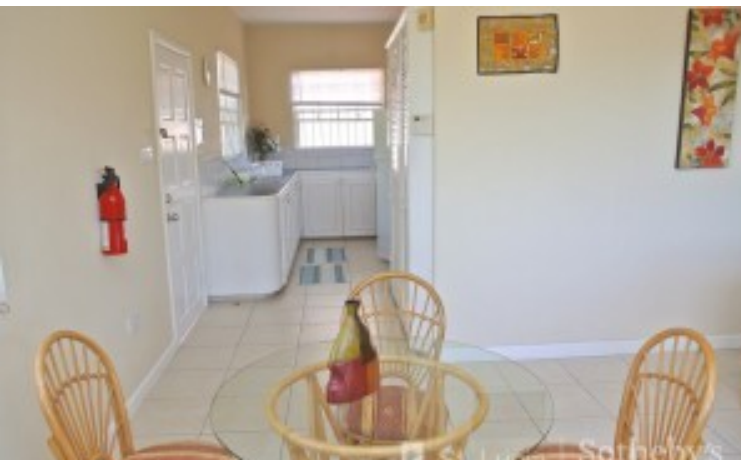

The one-bedroom Apartments at Poinsettia are suitable for singles and couples.

There are two units with ocean views and one very popular and cozy villa tucked away between the pool and garden.

Villa #1 is above the rooftop terrace with a great view of the bay.

Directly below is #7, the Executive Suite, a funky one-bedroom unit which overlooks the terrace. It is popular with people visiting Saint Lucia on business-trips and also popular with couples, as it is rather charming and romantic.
