

LAND IN BONNE TERRE WITH CARIBBEAN SEA VIEWS

Bonne Terre

Land in Bonne Terre with Caribbean Sea Views

\$192,000

This land is in the desirable residential community of Bonne Terre. Perched on a gentle slope in an upscale neighborhood, the property is surrounded by properties of high value, maintaining the land value. This lush approximately half acre lot faces the Caribbean Sea with views of the marina and horizon. The gradient promises easy developing and there is an existing plan if the buyer chooses to purchase and negotiate with closing. The prime location makes this the perfect investment for touristic and personal housing development.

The marina, public transportation, Rodney Bay with all the various amenities are less than five minutes away.

Price is negotiable.
