Castles in Paradise Villa

\$395,000

Castles in Paradise is a secluded Caribbean Development nestled on a hillside above the Atlantic Ocean on the south-east coast of St. Lucia. This completely private development is perfect for anyone in search of a tropical island home in the midst of tranquility. The development includes twelve individual villas, a swimming pool and pool bar.

This villa features a large living and dining room overlooking the sea and Mountains with a 60ft Verandah/patio. The spaciouly designed villa captures the Atlantic breezes with a spectacular view of Savannes Lobster Bay and Honeymoon Bay. There is an even more incredible view from the large roof terrace which creates the setting for a magical and relaxing atmosphere. The villa is fully secured with decorative ironworks, air-conditioning and two en-suite bedrooms.

Located five minutes away is the most beautiful beach in St. Lucia, "Anse Sable" where private access is provided, with snorkeling and windsurfing near the Maria Islands.
