

LAND W/ GORGEOUS CARIBBEAN SEA VIEWS

Grand Riviere,

Land w/ Gorgeous Caribbean Sea Views

\$65,000

This untouched land is gently sloping and features gorgeous views of the Caribbean Sea and the picturesque Valley in the north. The property is accessible via public road and has readily available amenities such as electricity, water, cable and telephone lines.

There is a run down property on the site, which would require to be torn down. The current owners are willing to cover the cost of the structure to be demolished.

Grand Riviere is situated in a quiet neighborhood and is close to local grocery stores, shops, schools and George F. L. Charles Airport. The property is also only 10-15 minutes' drive to the hub of Rodney Bay, a thriving center of activity anytime of the day or night. There is something for everyone including Reduit Beach, restaurants, cafes, grocery stores, shops, malls, nightclubs, bars, a casino and much more!

St. Lucia Sotheby's International Realty has been in operation since 2007.
